In addition to those guests, we look forward to hearing our own Shawna Yeager share her talent with us

High Five Follow Up

Last August many of you committed to pray for our school age children during their school year. We are now asking their parents to let us know how the year went. Each parent is asked to email their child's reply to the questions they will receive from the church. We will share the replies in a future Peace Release.

Synod Summit

The synod office has been holding summits this year for each of the conferences of this synod to help spark conversation between neighboring ELCA congregations about what they are doing, what is working or not working and to share ministry ideas and possible points of connection. Peace is hosting the Canton Massillon Summit Sunday afternoon, June 26.

Summer Break at Peace

Coffee Klatch is taking a summer break from their regular Wednesday morning gathering. Instead, they will meet once each month to prepare for the Food Bank distribution.

Mary & Martha will break until September 19. They have had a busy year: 7 lap robes, 9 quilts, and 9 flannel blankets distributed within our church and Stark County; Valentine care boxes sent to our college students; participation in the various outreach programs of Peace.

Salt & Light will continue their monthly free meal and the food pantry will continue their monthly distribution. All these groups are open and welcome new volunteers.

Our 2022 Graduates

Hanna Radel, CSHS

Dr. Caroline Thompson, Ohio State University School of Veterinary Medicine

The office is closed July 4th.

Update on the Project for the Ukraine

Sadly we were unable to have our collected items sent to the Ukraine. The church handling sending the items ceased their project due to financial concerns days before we prepared to take our items to them. We are happy to report that the food we collected was added to the Food Bank, the medical supplies were given to the YMCA of Canton, the diapers went to The Salvation Army, and the quilts and blankets were returned to Mary & Martha to be used as other needs arise. Once again, thank you for your generosity

Thank You

One of the joys of returning to in-person worship at Peace is hearing the voices and laughter of our children. From time to time we have been privileged to witness the results of the lessons they are being taught. Our deep gratitude and appreciation go to **Donna Brothers, Jen Russell, and Erin Thompson** for their talented and faithful service to our children's Sunday school as they lovingly teach and encourage our children in their walk with Christ.

Our children's Sunday school will resume after Labor Day.
