COFFEE KLATCH

The weekly Coffee Klatch is returning Wednesday, September 15 at 10:30 AM. Check your schedule and join us when you can. We would love to spend some time with you.

NEW COVID CONCERNS

With once again spiking numbers, there might be some question as to what we are doing at Peace. Until informed to do so by the CDC and/or State, Peace will not require masks for those fully vaccinated. If and when a new mandate happens would determine singing and Communion in worship. So you know, Pastor is once again running the air scrubber machine in the sanctuary during the week. Please maintain social distancing whenever at Peace. Unless your presence is indeed essential at Peace during the week, refrain from just showing up. We continue to use anti-viral Peroxy HDOx when the church is cleaned.

THANK YOU FOR YOUR SUPPORT!

Thank you for supporting the 2021 Pig Roast. We served 117 meals and cleared \$683 to be used for the Christmas Mart! Your generosity is deeply appreciated and greatly needed. Our next event is the Pasta Dinner dine in or carry out at Peace October 22. Tickets are now on sale.
